Hi Karen

Mayor Brown has asked that this be placed on the April 19th agenda as the Muslim Community are asking for the rental cost of the T&C to be waived.

Please note that I'm going to check with the T&C to see if the space is available.

Thanks,

---

Good morning Mr. Brown,

As the month of April progresses muslims across the world are fasting and attaining spiritual gratification in Ramada. Our local Ahamdiyya Muslim community has been growing to a record number of 375 people. We are motivated to be engaged with the community, and provide a better understanding of Muslims through events such "Iftar with a Muslim" where we hosted local Airdrie residents to join us in opening a fast and learning more about Ramadan.

I am emailing regarding the potential possibility of arranging the Town and Country Centre event space for May 2nd to celebrate the end of this Holy Month with an event our community regards as Eid-ul-Fitr. We would greatly appreciate the opportunity to host our event at this beautiful location and look forward to hearing from you soon.

Sincerely,

Amir Zia  
President

Ahamdiyya Muslim Community  
Airdrie
