City of Airdrie Mayor and Council
400 Main Street S.E.
Airdrie, AB T4B 3C3

Dear Mayor Peter Brown and Council,

The City of Airdrie has recognized National Public Works Week (NPWW) in previous years through a proclamation and we ask that you again declare May 15 to 21, 2022 National Public Works Week in Airdrie. Enclosed is a sample proclamation letter that can be completed should you choose to support this effort.

May 15 to 21, 2022 is the 62nd annual National Public Works Week. This week provides an opportunity to recognize and celebrate public works employees that focus on infrastructure, facilities, and services. These employees contribute to our health, safety and quality of life and help create a resilient community.

The American Public Works Association/Canadian Public Works Association has sponsored NPWW since 1960. 'More than 30,000 members in the U.S. and Canada use this week to energize and educate the public on the importance of public works to their daily lives.'

Sincerely,

Eugene Lund
Parks and Public Works Operations Manager
