Subject: KWCC Request for Meeting Schedule with Mayor

Dear Mr. Mayor,

My name is Dylan Shim, one of the Communication Directors of the Korean War Commemorative Committee (KWCC).

I'm writing this email to request a meeting with you to discuss the Korean War Gapyeong Battle Victory Monument and prospect of its installation in Airdrie.

To give you a bit of background information on the Monument, in commemoration of the Battle of Gapyeong, the Government of South Korea sends the monuments to select successfully bided locations in Canada. The first monument was installed in Winnipeg, MB followed by Langley, BC and Brampton, ON. The fourth one will be installed in Niagara Falls, ON with the unveiling ceremony taking place on June 16, 2022. We believe Airdrie would be an opportune and strategic location to install the 5th Monument as we continue the cooperative working relationship with the City and the RCL #288. We would like to meet with you along with RCL #288 representatives to share the details of our bidding plan at the time of your convenience on Thursday, May 5 or Friday, May 6. If none of those dates work, please let us know your availability in the first week of May.

I have attached some pictures of the victory monuments placed in Canada for reference.

We look forward to hearing from you soon.

Sincerely,

Dylan Shim
Communication Director
KWCC
