Hello Karen,

TRC Day is a National Day of Commemoration. Our team would like to see City Hall illuminated in orange lights, the same as is done provincially and nationally.

From Canada.ca:

- To commemorate the National Day for Truth and Reconciliation and to honour the Survivors, their families and communities, buildings across Canada will be illuminated in orange September 29 and/or September 30, from 7:00 pm to sunrise the next morning
- [Truth and Reconciliation Week](#)

Thanks,

Jennifer

Hi Michelle & Jennifer,

It is on my radar to send a proclamation and illumination request for September 30. I created a letter for this purpose (attached) although I haven't sent it yet. The rule is that an organization can only send one request per year

Should I add information about the NDTR event we are planning and a request to speak at council? Or would all this be better coming from Community Development?

Thanks,
Sue
