**Reasons for appeal** (attach separate page if required) - All appeals must contain reasons

- space - with no lane, our small back yards butt up against each other with only the fence and swale to separate us - this would make fence and weed maintenance all but impossible to manage
- privacy - already my back yard is totally overlooked by the property's two story house - building closer up to the property line would make privacy impossible in my yard
- noise - no distance between this dwelling and my property
