Good Morning,

I am writing to oppose the appeal to cancel tenancy permit 52-12. The appeal has been submitted by Trina Demeria, of EJ Rescue who in December of 2024 had 44 dogs seized by the AB SPCA from the location she operated out of in Airdrie: 2, 69 East Lake Crescent.

The dogs were seized due to extreme gross negligence of even the most basic care for these dogs. This negligence had been ongoing for many years and finally after many pleas from neighbouring businesses and concerned volunteers of the "rescue" and general public, the Ab SPCA, seized the dogs. Two charges were laid in relation. One charge pertaining to the provincial Animal Protection Law.

I am very concerned that if Trina's appeal is approved she will no doubt continue to operate as she has in the past, a very inhumane care facility for dogs. Please, please do not let this happen.

Sincerely,  
Heidi Wagner
