Good Afternoon,

I am writing to oppose the appeal to cancel tenancy permit 52-12. The appeal has been submitted by Trina Demeria, of EJ Rescue who in December of 2024 had 44 dogs seized by the AB SPCA from the location she operated out of in Airdrie: 2, [69 East Lake Crescent](#).

Sadly, this extreme negligence and inhumane treatment had been ongoing for many years despite multiple complaints to local authorities and the AB SPCA. Finally the Ab SPCA was able to seize the dogs after local authorities had to handcuff Trina Demeria and lead her away from the building where the dogs were being held. Two charges were laid in relation. One charge pertaining to the provincial Animal Protection Law.

If Trina's appeal is approved I strongly believe she will continue to operate a very inhumane care facility for dogs.

It is respectfully asked that you do not let this happen

Sincerely,

Gary Campbell
