Subject: [EXTERNAL] Comment for amendments outlined in Bylaw No. B-30/2024
Date: Thursday, September 26, 2024 2:09:10 PM

I wish to express my support for the amendments outlined in Bylaw No. B-30/2024, particularly those related to secondary suites and affordable housing options. As someone who works in Public Engagement and holds a Master's in Urban Planning, I understand the critical role that diverse housing types play in fostering inclusive communities.

The inclusion of secondary suites as a permitted use in various residential districts is a positive step toward increasing affordable housing availability. These units not only provide essential living spaces for families and individuals but also contribute to neighborhood vitality, diversity and social cohesion.

By facilitating the development of secondary suites and other accessory dwellings, the City of Airdrie is making significant strides in addressing housing affordability, which is vital for the well-being of our residents. I encourage Council to continue prioritizing such initiatives in future planning efforts.
