1. CALL TO ORDER

Councillor Jones called the meeting to order at 1:00 p.m. and confirmed that quorum has been met for this meeting.

2. DIRECTOR'S BRIEF (verbal only)

E. Lund, Acting Director Community Infrastructure, advised that the Road Operations department has started their annual spring cleanup program. Street sweeping for arterial roadways is 60% complete. The residential street sweeping program will kick off on April 29 and take about six weeks to complete. There will be no residential sweeping on weekends nor any parking restrictions in place.

There will be several presentations from Community Infrastructure coming forward in May, including the Streets Bylaw, the Memorial Policy (one-half of the Memorial Policy will also be going to Community and Corporate Services through Culture and Heritage) and updates to the scheduling of water restrictions for the Water Bylaw based on some of the amendments that the City of Calgary has recently made.

In response to a question, E. Lund clarified that there will be no residential sweeping nor any parking restrictions in place on weekends.

A comment was made that motorcyclists should use caution until the street sweeping is complete as gravel is just as bad as ice when it comes to taking corners.
