RE: Letter of Support - Healthier Together Airdrie Application for Funding

On behalf of Airdrie City Council, I am pleased to provide a letter in support of Healthier Together Airdrie's application to the Multiculturalism and Anti-Racism Program (Events component) for funding of two key community initiatives: Taste of Nations and Cultural Cooking Classes.

The City of Airdrie and Alberta Health Services have partnered to co-design the Healthier Together Airdrie Initiative. In the last two years we have brought people together and prioritized initiatives based on local health needs and have planned evidence-based actions to be implemented and evaluated in the community.

My Council colleagues and I express wholehearted support for the *Passport to the World (Taste of Nations)* and *Cultural Roots and Recipes* event which celebrate cultural diversity, foster community connections and provide opportunities for learning through food and storytelling.

This is a wonderful opportunity to welcome everyone from different cultures and backgrounds in our community to celebrate diversity and inclusion. As a partner, the City of Airdrie provides support to Healthier Together to host this event in one of our City facilities.

Council and I are thankful for our positive partnership to increase community connectivity and recognize the incredible contributions and diversity of our residents. As a valued partner, we look forward to continuing our work together to create a welcoming and inclusive Airdrie.

Yours truly,

Peter Brown  
Mayor
