Subject: *Support for Development Permit Application PL2402430 – 201 Bayside Loop SW*

Dear Members of the Development Appeal Board,

I am writing to express my full support for the development permit application **PL2402430**, regarding the establishment of a supportive living residence at **201 Bayside Loop SW**.

This application proposes a safe and inclusive home for a maximum of three (3) individuals with developmental disabilities in a spacious six-bedroom property. The home has been thoughtfully designed with consideration for the community, including **four (4) dedicated parking spaces** to accommodate **two (2) support staff**, ensuring there is no strain on street parking or traffic flow in the area.

This development brings tangible **benefits to the community**, including the promotion of inclusivity, diversity, and a caring environment that reflects the values we uphold in Airdrie. Such homes provide residents with an opportunity to live with dignity and support, while also encouraging community integration.

I would also like to emphasize that this initiative will have **no negative impact on the neighbourhood**. With only three residents and two staff members on-site, the home will remain peaceful, respectful, and consistent with the character of the surrounding residential area.

Most importantly, **individuals with developmental disabilities have the same rights as every other citizen** to safe housing and community participation. Supporting this application is a commitment to **equity, compassion, and human dignity**.

For these reasons, I respectfully urge the Development Appeal Board to approve this permit and help make Airdrie a truly inclusive place for everyone.

Sincerely,

A handwritten signature in black ink, appearing to be 'Oghenetega S. Ogedegbe'.

Oghenetega S. Ogedegbe.
