Subject: Support for Development Permit PL2402430 – 201 Bayside Loop SW

Dear Members of the Subdivision and Development Appeal Board,

As a neighbour of the property located at 201 Bayside Loop SW, I am writing to express my full support for the Development Permit PL2402430.

The proposed development—a small, supportive living home for three individuals with developmental disabilities, overseen by qualified professional staff—is a quiet, respectful, and fully permitted residential use under the City’s Land Use Bylaw.

I believe in equality and inclusivity for all, including individuals with disabilities. A permit that aligns with both the letter and spirit of the law should not be overturned based on unfounded concerns or bias.

As an immediate neighbour, I have no objections to the proposed residence. I have no concerns regarding parking, noise, or property values. On the contrary, I welcome this compassionate and inclusive addition to our community.

Thank you for your commitment to a fair, lawful, and inclusive decision-making process.

Sincerely,

Damilola Adebawale
