Thanks so much I will be writing a written submission. To the city of Airdrie. My name is Amanda Hollingsworth of 38 bayside parade Airdrie. Property under appeal. 201 Bayside loop sw. Legal land description lot 39 block 6 plan 1313368. Development permit # PL2402430. Reasons for appeal. No parking for visitors on site new daycare open on street extra parking in the mornings and evenings. Lack of privacy for supportive housing and residential owners. Overly intense use of property for low density neighbourhood with insufficient parking for development. There's been a lot of extra people living in our area rent to go basements. Lots of people work for companies with trailers that are parking in our area taking up lots of space. There's not enough street parking for people visiting owners of homes in the area. No Extra parking streets are small. Thanks.

Afternoon Amanda,

Same problem as before. The screenshot you are sending us it too compressed and hard to read.

Please fill out this form and save as a PDF

Alternatively, you can write the content in a reply email and we'll consider that a written submission.

Thank you.

Good afternoon Amanda,

I am just following up on my previous email.

The Notice of Appeal form you sent us is too small to be legible. We can attach the notice as is but be very hard to read.

If you could resubmit the Notice of Appeal form as a saved PDF or even type out your Notice of Appeal in an email that would greatly appreciated.

Thank you.

Good morning Amanda,

I just want to confirm if you would like to be a named appellant for this hearing? If so you will need to pay the \$250 fee by 4:30 P.M. on June 11th, 2025.

If you don't you can still provide the City with your written submission for this hearing.

I would recommend resending this form as a PDF, if you wish it to be considered as your submission, as this screenshot is illegible. You

can also simply submit an email to Appeals@airdrie.ca.

Please let me know if you have any questions and I will be happy to provide more information.

Thank you.

As you are not allowing group appeals.

Thanks Mrs Amanda Hollingsworth
